### ST. LOUIS Course Are Coming In Rapidily, Each Day. **RAWHIDE POORLY RIDDEN;** ASTERITA TIRED IN MUD

Feature Race at Old New Orleans | Betting Choice in Six Furlougs Course Went to Floral Wreath After Martin Had Allowed Favorite to Run Out.

RIPUBLIC SPECIAL New Orleans, La., March 39.-The heavy rains of Saturday night and Sunday turned the track at the Fair Grounds into a mass of sticky mud and caused many cratches. The card was rather heavy, newever, and this made little difference. There was not a great deal of class represented in the day's programme, the fourth race being about the best. This was a seiling sprint at six furlongs. which brought together Belle of Portland, Floral Wreath, Eawhide and horses of that class. Floral Wreath was well riddee and won in a hard drive by a neck from Glengallant. Belle of Portland was quickest away from the post, and took

the path, but Aubichon saved ground turning into the stretch and beat her Rawhide, the favorite, who was ridden by Martin, was carried to the extreme outside in the stretch, and so close to the fence that his rider ensed him up. William Murray took up the thread of duty as the starter, and his work has quite as good as that Mr. Fitzgerald had been doing.

balsy Green and The Bobby had the first race between them, and I hely Green, after leading all the way, beat the favorite easily at the end.

Jack Kercheville was best of an ordinary lot left in the 2-year-old race and, at the favorite's price, scored an easy victory

tory.
The form players cashed again after the third, when Dizie Lad, long overdue, got to the thish in from, with Mr. Jack forcing him out.
Tory lacazir won the fifth and sixth ring him out.

Teny Licelzi won the fifth and sixth races with Safe Guard and Duncan, both of whom had been well backed by the paddeck sharps.

Ponca was backed at long odds for the seventh race, and won easily enough, after running in the middle of the bunch the greater part of the way.

Sprint at Panama Finished a Poor Third to Coruscate and Sid Silver - Bad Day for Talent.

New Orleans, La., March 29.-With a programme that was typical of Monday winter racing and a deep muddy track, there was little about the racing at Panama to-day to arouse enthusiasm even among the stenchest followers of the new movement. The fast track of last week was changed to a lane of soft mud and, in consequence of this, the programme was

pretty well shattered by scratches. (ml; two favorites were first home and there did not seem to be any great play for these. Easily the best race of the day was a six-furlong aprint that brought to the post a field of six with Asterita, the favorite, Coruscate and Sil Silver each well backed.

Outbroke Her Field and Led All the Way-Starter Dade's Work a Revelation to Hot Springs Racegoers.

REPUBLIC SPECIAL

Hot Springs, Ark., March 28.-The Arkansas Jockey Cub opened its week's meeting at Oaklawn to-day with the Captol Hotel Stakes for 2-year-olds, the feature of the card. Pretty Nellie, the 9-to-2 favorite, with Hildebrand in the middle won the race. Our Lille was the only other winning choice.

Starter A. R. Dade of St. Louis handled the flag, and his work was almost a revelation to the local racegoers, who have been accustomed to the hit-or-miss, most-ly miss, style of McKnight. Dade's work was almost perfect, and the fields got off in military alignment, save in the long lead and set a fast pace to the stretch stake race, where Pretty Neilie, a very fast breaker, got slightly the best of it. The start in every other race met with

sharp brush to the sixteenth post, drever away to win easily, with 3kd Silver second and Asterita a badly beaten third.

Bertha E. was an oddison choice in the cycer-old race at the beginning of the card, and most of the big bettors played her confidently. She was away rature poorly and ran out on the stretch turn. Jurist, running in the interest of Pat Dunne, got away well took the lead in the first few strides and won all the say. Granada beat Bertha E. for the place. It is said beat and the stretch turn is the first few strides and won all the say. Granada beat Bertha E. for the place. It is said beat should have some a to 5 to 5 to be had about him.

Liddon scored another victory in the nile scaling roze, for which he was little liked. Roundelay, the favorite, was turned sideways when the harrier was spung and trailed the others all the way. Mrn. Bob made a runawy race of the fifth race which, on form, seemed to be a soft spot for Lidwina.

The sixth race was a good outing for Attila, who had been the selection of the handleappers.

WHITE COMES TO PIGHT BRITT. English Puglifet Lands in New York With Charley Mitchell. New York, March 28—More than three and a haif days behind her best record time for the voyage, the big White Star Line steamer Cedric came into port to-day after the most turbulent trip of her career.

seeking a fight with Jimmy Britt at San Francisco.

White and Mitchell expect to start for San Francisco on Wednesday. White said he had come over to fight Britt for the light-weight championship of the world and that he was ready to rign articles with him.

"I have wanted to meet Britt since he defeated Young Corbett." said White. "and I hope a match will be made with him promptly. I will fight him at 131 pounds, the light-weight limit. We can weigh in at 2 o'clock or at the ringside. I will be ready to begin training in a few days. If I fight Britt in San Francisco I shall train in California."

Unless White can secure a fight with Britt he plans to return to England at once and not to fight any other battles.

"We are well pleased with the work of our men," Le said. "and I was astissed with the work of the players when I was at Dallas. Every man seems to be in first-class condition and is playing his post in good shape.

"McAleer seems to be working nicely with his men, and the fashion in which they turn out for daily practice is very pleasing to those who have an interest in the team. I got back from the South Saturday evening. Ban Johnson came here directly from Chicago, and will now go on a short hunting tour to Grand Pass and Pearl Island with Charley Spink. He came here more for that, purpose than with any idea of attending our meet.

"I think our chances are first-class. We had one telegram from Heldrick, stating that he was not quite certain when he could get away, but that he knew he would be able to report in this city before the season opened. He is still engaged in the lumber business in Pennsylvania."

The election of the local club gives practically the same officers who aerved last season, with the exception of Lloyd Rickart. Mr. Rickart is popular with followers of the game, and has done first-class work in his new position. He has served for the last three months.

Weakness.

OUR SUCCESS IN CURING THOSE derangements commonly termed "weakness" has done more to extend our reputation as specialists in men's diseases than any other thing. We were first to discover the fact that "weakness" is merely a symptom resulting from a chronically inflamed grostate giand, and that to remove this inflammation is the only method of permanently restoring lost vigor. To this day our system of treatment is the only successful one in use. In years we have not failed to effect a complete cure. Of course, there is an occasional case that has passed into that incurable stage, and we do not treat it at all. Our long experience enables us to recognize them and to select only such cases as we can cure permanently.
